

## Subcontractor Insurance Requirements

- Subcontractor shall furnish a Certificate of General Liability Insurance naming Miles Construction Group, Inc. and project owners as additional Insured. The policy limits shall be a minimum of \$1,000,000 per occurrence, \$2,000,000 aggregate and \$2,000,000 completed operations for the Commercial General Liability coverage. The additional insured endorsement shall be CG 201011/85 or its equivalent and attached to the certificate evidencing completed operations coverage without exception. Such insurance shall be primary with respect to the additional insured's. Any other insurance the additional insured has will be noncontributory. Waiver of subrogation will apply.
- Subcontractor shall furnish a Certificate of Automobile Liability Insurance covering bodily injury and property damage to cover owned, non-owned, and hired vehicles in the amount not less than \$1,000,000. Such policies of insurance shall apply to all work done and will provide a thirty day notice of cancellation or non- renewal.
- Subcontractor shall furnish a Certificate of Insurance evidencing Workers Compensation Insurance as required by applicable state law for all employees engaged in work at the jobsite. Employer's liability shall be provided in the amount of \$1,000,000 each accident, \$1,000,000 each employee and \$1,000,000 policy limit. This policy shall waive all rights to subrogation against the Contractor and Contractor's insurance policy.

Note: All subcontractors doing excavation, digging, underground work, or that are performing work that calls for explosion, will be required to reflect those coverage's in their insurance certificates. The subcontractor's insurance certificates must be received in our office before work is commenced and/or the first payment is paid.
